

REMARKS

In response to the restriction requirement mailed March 23, 2004, Applicant elects Group II. Applicant has withdrawn dependent claims 76, 80 and 106. Applicant has amended claim 107 to remove the element of a vacuum suction device from claim 107. If the parent claims to claims 76, 80 and 106 are allowed, Applicant submits that these claims should be allowed to be re-presented as dependent claims to allowed claims. Further, if claim 107 is allowed, Applicant submits that a dependent claim covering the vacuum suction device should be allowed.

Applicant respectfully requests favourable action.

Respectfully submitted,

James E. Bradley
